Office of Open Records

Created by RTKL: Independent & quasi-judicial

- Decide appeals filed by people denied access to records by government agencies
- **18 total staff**
 - Executive Director & Deputy Director
 - 12 Attorneys
 - Chief of Training & Outreach
 - 3 Administrative

Right-to-Know Law Basics

All government records are **presumed** to be public records.

- 30 exceptions in the RTKL
- Exceptions in other laws & regulations
- Attorney-client privilege & other privileges
- Can be made non-public by court order

What is a Record?

A record is...

- “information, regardless of physical form or characteristics, that documents a transaction or activity of an agency and that is created, received or retained pursuant to law or in connection with a transaction, business or activity of the agency”

Records Take Many Shapes

The Right-to-Know Law...

- **Doesn't** distinguish between emails & paper
- **Doesn't** distinguish between agency devices & personal devices
- It **only cares** if the document / email / whatever is a “record” – and then if that record is a “public record”

Who Must Respond to Requests?

Every government agency (state & local) is **required** to respond to RTK requests.

- Every agency has an Open Records Officer
- Must respond within 5 business days
- Can extend the timeline by 30 calendar days
- Response: grant, deny, or a mix of both

Get to Know the AORO

AORO = Agency Open Records Officer

- If you have a contract w/ an agency, it makes good sense to get to know the AORO
- They will not *always* be required to notify you if someone requests records involving your organization – but nothing prevents them from doing so

Office of Open Records

Simple for requesters & agencies

- A requester denied access can appeal to OOR
- No lawyer necessary for requester
- OOR assigns Appeals Officer to oversee case
- Both sides can present evidence & argument
- OOR has **30 days** to issue Final Determination

Status of Authorities, Etc.

Certain authorities & corporations are subject to the Right-to-Know Law.

- Two main issues to consider:
 - Is it a local agency?
 - Is it a “similar governmental entity”?

Status of Authorities, Etc.

Is an authority / corp. a “similar gov’tal entity”:

- Is it a division of a political subdivision?
- How was it created?
- Who controls its operations?
- How is it funded?
- Does it perform a governmental function?
- Does it exercise the authority of a political subdivision?

Third-Party Contractor Records

Records submitted to gov't agencies by third-party contractors go through the same test.

- Info submitted to a gov't agency by a third-party contractor also **presumed to be public**.
- Common exceptions that may apply:
 - (b)(10): internal, predecisional deliberations
 - (b)(11): trade secrets & conf. proprietary info
 - (b)(26): financial information of a bidder

Third-Party Contractor Records

Some records NOT submitted to gov't agencies by third-party contractors may be public.

- Section 506(d): “A public record ... in the possession of a party with whom the agency has contracted to perform a governmental function ... and **which directly relates to the governmental function** and is not exempt ... shall be considered a public record of the agency for purposes of this act.”

Requests for Trade Secrets

Contractors are required to give agencies notice that submitted info includes a trade secret.

- Section 707(b): “An agency shall notify a third party of a request for a record **IF** the third party provided the record **AND** included a written statement ... that the record contains a trade secret or confidential proprietary information.”

Procurement Records Available

Procurement Provisions

- Records related to agency procurement or disposal of supplies, services or construction are available under RTKL...
 - After a contract is awarded, or
 - All bids are rejected

Benefit of Contracts / Procurement

Contract & procurement provisions are
good for taxpayers

- Providing access to those kinds of records helps businesses compete for gov't contracts
- Increased competition reduces taxpayer cost

Open Data Portals

Some agencies posting **large datasets**

- Pennsylvania (relatively new)
 - <https://data.pa.gov/>
- Open Data Philly
 - <https://www.opendataphilly.org/>
- Western PA Regional Data Center
 - <https://www.wprdc.org/>

Record Retention

The RTKL does not address record retention

- Goal is a strong, effective retention policy
- Must balance agency needs & transparency
 - *Can't simply say "0 days for everything"*
- PHMC has a Municipal Records Manual
 - Includes a retention schedule
 - PHMC staff can be a great resource

OOR Caseload

Thousands of RTK appeals are filed every year

- In 2015, OOR heard **2,926 appeals**
 - *Total appeals, not total requests*
- Of those, 61.3% involved local agencies

OOR - Appeals Filed in 2015

2,926 Appeals Filed w/ OOR in 2015

State Agency Appeals in 2015

1,132 Appeals Involving State Agencies in 2015

Local Agency Appeals in 2015

Office of Open Records

One of my goals is to **simplify** the RTK process for agencies & requesters

- <http://openrecords.pa.gov>
- Constantly updating content
 - New AORO Guidebook for agencies
 - Sample affidavit forms for agencies
- Suggestions welcome

OOR Mediation

Goal: Resolve more cases **informally**

- > **50 cases** referred to mediation in 2016.
- Both sides agree to confidentiality.
- OOR provides trained mediator.
- If mediation successful, appeal is withdrawn.
- There's no harm in agreeing to mediation
 - Worst-case scenario: FD is slightly delayed

Training from the OOR

Training on the RTKL & Sunshine Act

- OOR website filled with information
 - www.openrecords.pa.gov
- Very soon: YouTube videos
- OOR also provides on-site training
 - Details on OOR website
